

Pattison Lake Townhomes Approved Optional Storm Doors Approved April 7th, 2014

Board Approved:

1. White with brass accessories
2. Retractable screen provides a full view
3. 36 Inches wide – mount either left or right (screen handle to door handle)
4. Lowe's has all models in stock to avoid special order and extra charges
5. Larson Storm Doors listed are visually consistent and are preapproved by HOA Board*
6. All approved storm doors feature tempered glass
7. Professional Installation is available at \$97 per door through Lowe's
8. Approved brass-tone handles are included with each door at no additional expense

Models Approved for Pattison Lake Townhomes:

- | | |
|---------------------------------------|---|
| 1. "Savannah" by Larson | \$229 no lock |
| 2. "Montgomery" by Larson | \$284 w/key lock |
| 3. "Trade winds" by Larson | \$307 w/key lock, double seal, double closers |
| 4. "Trade winds" (fancy etched glass) | \$345 w/key lock, double seal, double closers |

* **Note:**

Any storm door other than Larson as listed above, including any other brand or style will require a written proposal, Board review and written preapproval before installation. Any nonstandard or unapproved storm door installed, must be removed immediately at owner's expense.
